

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-59 (Cancelled).

60. (Currently Amended) The method of Claim ~~[[44]]~~ 62, further comprising the step of

(h) displaying a message to the trainee if they attempt to exit a section of the training course without viewing all information required for the satisfactory completion of that section.

61. (Original) The method of Claim 60, wherein the message displayed indicated the specific information that has not been satisfactorily completed.

62. (Currently Amended) A method for providing training over a network, comprising the steps of:

(a) identifying general training data for training trainees on a selected topic;

(b) considering the particular characteristics of at least one specific trainee and identifying specific training data that will reduce the risk of non-compliance of that specific trainee;

(c) storing the general training data and the specific training data in a database;

(d) providing a server computer connected to the network and having access to the database;

(e) presenting the general training data and the specific training data to the trainee over the network

(f) monitoring the training activities of trainees by storing information about the trainee's completion of training material in a database; and

~~The method of Claim 44, further comprising the step of~~

(g) timing the length of time ~~rate~~ at which trainees view training data and comparing such length of time ~~rate~~ against a previously determined minimum time value.

63. (Currently Amended) The method of Claim 62, further comprising the step of displaying a message to the trainee that their rate of training reflects a length of time viewing training data that is less than the minimum time value and requiring the trainee to spend additional time viewing the training data before they are able to continue to the next topic.

64. (Currently Amended) The method of Claim ~~[[44]]~~ 61, further comprising the step of displaying a series of indicators such as a "checkmark" to indicate to the trainee which parts of the course have been completed when the trainee signs on later.

65-69 (Cancelled).
